

ANNEXURE 1 – QUERIES AND RESPONSES

| No | Query | Response |
|-----|---|--|
| 1. | Could you provide information regarding the level of the road (Diplomatic Street) in relation to the Sea Level (0.00)? We assume that the sea level indicates the average of a low and high tide, could you confirm? | The Participants are advice to utilize whatever information available in the document, no more information will be provided. |
| 2. | What is the average vertical difference between the high tide and the average sea level? | |
| 3. | We assume that the shoreline provided at the Annexure B indicates the mean high water line, could you confirm? | |
| 4. | Will the Authority supply Cad drawings of the project site, the existing embassy buildings, and the surrounding areas? | |
| 5. | Will the Authority provide information regarding the site restrictions, enforcement and requirements current in place? (Maximum building height, setback, maximum ground coverage, etc. Is it possible to suggest floating structures?) | |
| 6. | Is there any restrictions for the sensitive area in the western end of the site indicated in green? | |
| 7. | How to obtained site plan of the existing site area. | |
| 8. | May we ask also if when will be the Mid Competition Conference date? | The Authority will not hold any mid-competition conference. |
| 9. | Is there any flexibility with the deadlines? Is it possible to extend the deadline (11 June) of the Project Submission two weeks? | The submission date remains as 2 nd July 2018 and no extension is considered at this time. |
| 10. | <p>Considering the amount of creative works involved in this competition and the high level of presentation required . Our Staff are completely involved and will require additional time to complete this challenging and creative work and not ruin the idea due to lack of time.</p> <p>Hence, we appreciate if an additional time of minimum three (3) weeks is granted to wrap up the project.</p> | |
| 11 | I do not have any commercial license and it is possible to participate as individual competitor. | The Vision Competition is an open competition. Refer to Item 1.5 and 1.6 of the Instruction to Participants of the competition document. |
