2. Answer to Pre-Qualification Query

No.	Query	Answer
1	During the review of the ITA Clause 15.3 page 6 and 10, we found a contradiction in below statements. <i>"The two (2) hard copies of the Application should consist of loose sheets of paper filed in hard cover ring binders and shall not exceed 250 type written pages, as defined in ITA 31. Ring binders or plastic comb binding should not be used for Applications."</i>	Refer to the replacement page Part 1 Page 6R Clause 15.3. The said Clause is self-explanatory.

<p>"(a) Two (2) ring bound hard copies (one (1) Original & one (1) Copy) and two (2) soft copies on Compact Disks (CD) must be included as part of the submission.</p> <p>No other documentation, including company brochures or any other additional information etc. should be included in the Application. Only include the specific information requested. No boxes, notebooks or lever arch files are to be submitted."</p> <p>Since you clearly noted that level arch files are not allowed, kindly provide exact instruction what type of hard cover ring binders are to be used ?</p>
