SUBJECT : ANSWER TO PQ QUERIES

Applicants are hereby informed of the following amendments, clarification and elaboration to the PQ documentation for the above project:

No.	PQ QUERY	ANSWER
1.	<p>I have just received an invitation to pre-qualify for CCTV survey works. We submitted a pre-qualify submission for the same CCTV survey works in April/May 2015 to a Mr. Steve Bird. I have attached these pre-qualifying documents for your reference.</p> <p>Please can you let me know if we are to prepare a new submission or you will except the one submitted in April/May 2015</p>	<p>You should submit a new proposal in line with the published RFP.</p>
2.	<p>Please refer to the web-page of the "Prequalification", namely "<i>Camera Specifications</i>" which is the fifth paragraph under "Scope of Services". It describes the required camera to be pan and tilt for sizes less than 450mm, and pan, zoom and tilt for larger sizes.</p> <p>On the other hand, please refer to: Prequalification Documents – Part 2 Work Requirements – page 74. It only specifies the "light ring survey" (a.k.a.</p>	<p>Light Rings are to be used for flexible pipes and all other types of pipe CCTV system is to be used.</p>

No.	PQ QUERY	ANSWER
	laser profiler) Please confirm whether both systems are required, i.e. the PTZ plus the "light ring"	
3.	Shall PWA provide the scoring criteria for the Scoring Module, or the Contractor shall use the criteria of WRc or IBAK?	The contractor should use the Scoring Criteria of IBAK (European German Standard).

All other conditions remain unchanged.
