PREQUALIFICATION CIRCULAR NO. 03

ATTACHMENT 1 : Response to Prequalification Queries

| No. | Query | Response |
|------------|--|---|
| 1 | <p><u>GENERAL – Contract Type</u></p> <p>The Title of the project indicates it's a "Construction only" contract. Can you please clarify the same or if it is a "Design & Build" contract?</p> <p>If "Construction Only" contract, we presume that it will be designed by Other/Client and we will be issued the construction drawings as part of the Tender.</p> | <p>The Contract is a Construction Contract with the detailed design provided by Ashghal. However, elements of the micro-tunnelling works and the final MEICA design will be undertaken by the Contractor.</p> |
| 2 | <p><u>Part 2 – Scope of Works – Page 60, Electrical</u></p> <p>Document states that "Provision of 11 KV Switchgears, VFD, 3.3 kV motors etc". Kindly clarify that scope of works includes supply of electrical system or just erection of the systems (supplied by client).</p> | <p>The Contract is for the Supply, Installation, Testing and Commissioning of the electrical systems.</p> |
| 3 | <p><u>Part 2 – Scope of Works – Page 62, D Line TSE Transmission Main</u></p> <p>In PQ Documents the scope work for D Line TSE Transmission Main mentions DI Pipe Installation, testing & commissioning. However, it is not clear if supply of pipe is in scope of the contractor for this project. Kindly clarify.</p> | <p>The supply of the ductile iron pipes and fitting including procurement, installation, testing and commissioning is in the scope of the Contractor.</p> <p>The pipes will be accepted from any PWA approved Supplier.</p> |

| 4 | <p>Part 1, Prequalification Procedures – ITA 23.1 – Page No. 12, Margin of Preference</p> <p>Kindly elaborate the type of preference for domestic tenderers. We, in Qatar are a branch office of a company in India are having Commercial registration licence in Qatar. Whether we shall be getting equal preference to domestic tenderers. Please confirm.</p> | <p>Section II: Application Data Sheet, Page No. 12, Part E - Evaluation of Applications, "A margin of preference for domestic tenderers shall be applied" shall prevail.</p> |
| 5 | <p>Part 1, Prequalification Procedures – Page No. 16, Qualification criteria – Financial Situation</p> <p>Clause ask to provide Financial data in terms of Local turnover & International turnover. We understand Local turnover means turnover of the applicant's home country and not in Qatar. Kindly clarify.</p> | <p>Local turnover means the applicant's branch office in Qatar (if available), not in applicant's home country.</p> |
| 6 | <p>Part 1, Prequalification Procedures – Page No. 4, Qualification criteria – Scoring system</p> <p>Kindly provide the Scoring system methodologies that will be used for PQ evaluation.</p> | <p>The scoring system to be used for evaluation will not be provided.</p> |
| 7 | <p>Part 1, Prequalification Procedures, Clause 6, Experience – Page No. 21, Qualification criteria – Experience</p> <p>In the qualifying criteria mentioned in the clause; experience is sought for Pipeline, Pumping Stations and Reservoirs for Water of TSE application. Can you please clarify if Pipeline, Pumping Stations and Reservoirs of required size of other water applications like Sewage/Hydrocarbons /Other services will be considered for the qualification.</p> | <p>The Qualifying Experience is targeting relevant experience for this Project. The Contractor is free to submit other experience he considers relevant in support of his application, providing the PQ document does not exceed the size limit specified in Part 1, Prequalification Procedures, Sub-item 15.3</p> |
