

**Public Works Authority
New Maintenance Framework Contract**

The State of Qatar has experienced rapid economic growth over the last several years, which led to an increased demand for the State to construct, operate and maintain first-class roads infrastructure.

By 2023, the Public Works Authority 'Ashghal', represented by the Roads Operation and Maintenance Department will procure a Group of Contractors to carry out Operations, Maintenance (O&M) & Rehabilitation of its roads network under a Framework contract for a period of 10 years.

**Performance Based
Roads Framework**

**Operation and Maintenance
Works**

Rehabilitation

Assets

- Civil (Pavement)
- Structures
- Streetlighting
- Beautification
- Signage & Safety Devices
